NORWAY AND VICINITY

Miss Ruth Forbes of New Bedford, Mass., is the guest of Miss Elizabeth O. Lasse at her summer home at Norway Lake. Miss Gertrude O. Gardner has also been a guest there.

Mr. and Mrs. Charles Smith of Deerfield spent the day Sunday with their sister, Miss Edith M. Smith.

Mr. and Mrs. Clarence L. Decosta, Mrs. E. L. Sanborn and two children are at Haven Cottage, Old Orchard for two weeks.

Station Agent Routhier and wife are taking a ten days vacation in Quebec. H. O. Reed of South Paris station is substituting.

Elmer Aldrich and family have occupied a cottage at the Empire Camp ground and attended the meeting the past two days.

Al Hicks, advance agent for Cooper Bros. Combined Shows, was in town, Friday, arranging for their appearance here on Thursday, August 30. He secured the Price lot on Cottage street, beyond Charles G. Blake's lumber yard.

Mr. Hicks stated that the Cooper Bros. outfit is a twin to the Cole Bros. show, which played here a year or so ago, with both under the same management. They travel in two special cars on regular passenger trains and how the one ring circus and side show can be transported in a single baggage car is a mystery to the layman. About seventy people are carried with numerous feature acts from the big circuses. The show will arrive from Bethel.

One of the pine trees on Orchard street, on Mrs. Emma H. Mann's land, has been cut down and it measured 26 inches in diameter and was 42 years old.

Turgeon, the Auburn Aviator, spent Friday at Shepherd's Camp, arriving by telephone. He made several flights over Norway, Greenwood and Paris, carrying a number of summer guests in quest of real sport.

Norway was well represented at the "Human Fly" exhibition on the Pythian Block, at South Paris, Friday evening. Post Commissioner Harry Lovejoy has trimmed the turf along the edges on the main street concrete road. This gives a neat appearance and a good impression.

Linwood Flint of Waterford was in town, Aug. 13, on his way to Lewiston. He reported business good at the Porcupine Farm and the fiddling trade at top notch. Prof. Flint is tempted to re-organize the Jungle show for the fairs and cover the regular circuit, after an absence of several years. He can put up a collection of animals worth going miles to see, but that pesky fiddling "spasm" and other jazzing functions, has practically consumed the side show instinct. This must be true for he admits it.

Ye Old Fashioned Dance will be held at the Norway Lake Pavilion Friday evening, August 24, with music by Mel Bonham.

Mr. and Mrs. Frank Freeman, who have been recent guests at Chester Flint's, have returned to their home in Middleburgh, N. Y. They made the trip in their new Marmon sedan.

C. A. Flint has been entertaining his aunt and cousin, Mrs. Hannah Saunders and Mrs. J. J. McKenzie of Malden, Mass.

Arthur Flint visited friends at Pike's Hill, Sunday.

Mrs. Webster Perry of Abington, Mass. is visiting her cousin, Mrs. Chester Flint. Louis A. Alexander, brother of Mrs. E. F. Smith, and his sons, Vinton W. and Louis A., Jr., have been guests at "The Alexander" Cottage this week, at Wm. A. Bibber and daughter Marion of Richmond.

Something broke in the town clock at 9:01 Tuesday evening and the machinery started on a wild race. Gears were stripped and there was a general rumpus as the heavy weights dropped into the basement. Extensive repairs are necessary and an expert from the factory may be needed to set matters right.

Wences of Mooseheart Legion are to observe children's night on Friday night, Sept. 14.

The table girls at Lakeside Inn enjoyed a picnic at Gibson's Grove, namely, Hazel Kimball, Gertrude Gray, Ella McLoughlin, Adelaide French and Vivian Hear.

Lynford Wells, Cherrie Noble, Gertrude Brown and Guy Ingalls meted to Bethel, Thursday evening, and attended garage meeting.

The last of the Central Maine Power Co. poles were removed from the north side of Main street, Wednesday and Thursday. All telephone and transmission wires are on one side and not a zig-zag network as heretofore. The improvement is noticeable and appreciated.

Bill posters for the Cooper Bros. shows arrived Thursday to decorate bare walls and proclaiming circus day to be Aug. 30.

V. Akers, Stephen B. Cummings, Ralph Hassell and Henry C. Cullinan started Thursday morning by auto for Katahdin. They plan to camp at the base Thursday night, hike fourteen miles to the summit and camp there Friday night or longer. This will be a fine trip for sight seeing, recreation and picture making.

Hazel E. Bicknell, proprietor of The Fashion Shop has returned from a week's vacation at Old Orchard, New Meadows Inn and at Auburn with her sister, Mrs. John Wood.

Mr. and Mrs. Ambrose Warren and son of Boston are spending a few days with his mother, Mrs. W. H. Warren and sister, Mrs. George A. Brooks.

Mr. and Mrs. Eugene Flood of Farmington spent the week end with Mrs. Flood's sister, Mrs. Maud DeCoster.

Francis Ray, daughter of Mr. and Mrs. Ray, who has been ill with rheumatic fever, is gaining, and the trained nurse has left.

Mrs. Charles G. Blake returned home from Harrison, Sunday, and is taking treatment for rheumatism. Relatives from Meredith, N. H., are stopping with Mr. and Mrs. Blake for the present.

Parrin's Bowling Alley is turning out good players. Madeline Hayden, the women's record of 93 for one string and Jimmie Robinson, the popular short stop on the Twin Towns, made 346 in three strings and is the town champion to date. Summer business has been good with cooler weather bringing a decided increase.

Mabel Haskell of New Haven, Conn., is visiting her uncle and cousin, Frank P. Stone and Beatrice Stone.

BASEBALL

Boston Tigers 8; Twin Towns 4

The colored team from Boston, traveling as the Tigers, were too snappy and scientific for the Towners at the Fair Grounds, Saturday. The home outfit was not up to a keen edge and gave an exhibition showing, at times, anything but high class stuff. There were numerous brilliant plays staged by White's boys, especially the one-hand scoop by Robinson and the running catch by Billy White. Hayes held the colored team to nine singles, with only six against him to the ninth inning, when the visitors put on a bat fest with three wallops and a pass, netting three runs.

Rain held up the game at the end of the fifth inning with the score 5 to 2 in favor of the Tigers. After a delay of nearly thirty minutes, the game proceeded but wet conditions made clean cut fielding impossible and erratic heating was a common fault.

Many fans consider this colored team the best all round outfit the Association has booked thus far. The visitors are not only experienced ball players, but left a good impression by their orderly conduct both on the diamond and about town before and after the game. Score by innings:

Innings 1 2 3 4 5 6 7 8 9 R H E
Tigers 0 0 0 2 0 0 0 8 3
Twin Towns 0 2 0 0 0 1 0 1 0 4 7 3

Two base hit, White. Struck out by Hayes 8; by Cradup 1. Bases on balls off Hayes 8; by Cradup 3. Batteries: Hayes, Knudsen; Cradup, Williams. Umpire, George Tilton.

Twin Towns 9; Livermore Falls 1

"Uncle" Ralph Knight occupied the box for Twin Towns at Livermore Falls Tuesday and held the sluggers to seven scattered singles while Vargas, the mysterious twister, was spotted by the Twins with thirteen hits, three by Keville, Moynihan and Peel going for two baggers.

Two base hit, White. Struck out by Hayes 8; by Cradup 1. Bases on balls off Hayes 8; by Cradup 3. Batteries: Hayes, Knudsen; Cradup, Williams. Umpire, George Tilton.

Norway Tournament

Dixfield 4, Twin Town 3; Farmington 4, Livermore Falls 3; Farmington 6, Dixfield 2.

Farmington motored home with cream skinned off the Norway Tournament at the Tri-County League at Bristol County court against the city of New Bedford, claiming \$5,000 damages for breach of contract. He was removed as superintendent after one faction in the school board returned to power after its overthrow several months ago, decided to replace Mr. Morrill with Allen P. Keith, a former superintendent who had been forced out by politics.

Mr. Morrill is a graduate of Bates College in the class of 1907 and previously was superintendent of schools at Norway, going from here to Bangor.

Ball Players But Not Fishermen

By Knight and "Uncle" Ralph Knight while collecting medals for good work on the Twin Town baseball aggregation are not so successful with hook and line. The pair went "pug" fishing recently after spending hours collecting tackle, a box of worms and several bushel baskets. They agreed to provide a brook trout supper for the entire team and great things were anticipated.

To conduct a long, painful story, they struggled all day in the boiling sun and landed six little mongrel fish. Unfortunately the catch became mixed with the earth worms in the excitement of dodging the "bunch" on a home run down back streets. L. H. Cushman an expert in small fry, separated the breeds, using a microscope, and the boys at last have circumstantial evidence they at least "singled" to fulfill the supper contract. According to their friends, the boys will never lead the major fishing league.

Harry Rust Women's Relief Corps resumed meetings Wednesday evening and held a most interesting meeting with good attendance. A short memorial service was held for the late President. Several matters of importance were discussed. After the business session a social hour was enjoyed and cake and ice cream were served. The next meeting will be observed as Dollar Night, and the dollars that have been earned during vacation will be handed in with the story of the earning. Members who cannot attend are asked if possible, to send their contribution with the story. It is hoped every member will be on hand.

Elizabeth Crockett Blake Tent, Daughters of Veterans will resume meetings for the year, Friday evening August 31. Five Fridays in the month make this possible and instead of holding the meeting on the Fourth Friday as usual, the meeting will be held a week later, giving one more week of vacation.

Mrs. Alice Rounds Jay, husband and three sons of Portland and Miss Agnes Rounds of Waterville were Sunday guests of Mr. and Mrs. John F. Swain.

One or two fire alarm boxes were changed to new poles and the wires also changed this week. This caused occasional tooting of the whistle Monday and Tuesday.

The Norway-Paris Band will play at the Patriarchs Militant field day at the fair grounds on September 1.

Donald Rice and Richard Perkins returned early Tuesday from a six days flapper trip to points in Canada, New York State and in New England. They carried a tent and equipment and have camped on three important mountain ranges. The weather was perfect excepting one night rain fell heavily but they escaped a serious wetting.

Mildred Wiley of Wakefield, Mass., is the guest of Mr. and Mrs. B. G. McIntire this week.

Q. A. Frost is working for E. B. Jackson, putting in a trial window in the sitting room and some registers for a furnace.

Mr. and Mrs. Bert L. Hutchins and children spent a vacation of several days at Old Orchard on Wesley Avenue. They came home earlier than they expected, owing to the illness of their son Vivian Hutchins, who had an attack of stomach trouble.

Auto Accident on Lake Road

An auto party of six young people, were overturned late Friday night near the old pumping station, between Norway village and Norway Lake. Nellie Sharpe of Roxbury, Mass., a table girl at the Mansion House, Poland Springs, was badly out about the face, eight stitches were taken at the office of Dr. P. Bradbury, where she was treated.

Fearing internal injuries, she was taken to the C. M. G. Hospital at Lewiston. Others in the party were badly shaken but not seriously injured so they continued to Poland after undergoing a slight examination.

The party was returning home after a dance at one of the local pavilions, while swinging from the Crockett Hill road to the main highway, the head lights went out. Not familiar with the road, the driver lost control and the letting the car and occupants roll down an embankment causing a mighty crash.

Other dancers returning home assisted in unloading the victims from the wreckage and hurrying the more serious injured to a physician.

The party included, besides Miss Sharpe, Agnes Nutter and Lucille Cody, and three "bell hops" from the hotel, Francis Fowler, Leland Chisholm and George Mousier.

Sues for Five Thousand

True C. Morrill has entered suit in the Bristol County court against the city of New Bedford, claiming \$5,000 damages for breach of contract. Charles P. Insole

Charles Pike Insole, proprietor of Lakeside Inn, Norway, was stricken during the night, Tuesday, and passed away about 11 o'clock Wednesday forenoon without regaining consciousness. He was about his usual duties Tuesday, apparently in good health, except for a nervous strain brought on by the strenuous work and illness in his family. Mr. Insole retired about 10 p. m. and failed to answer when called early Wednesday morning. He was found unconscious in bed and failed to rally.

Mr. Insole was born in New York 62 years ago. He came from Brooklyn, N. Y., in 1919 and purchased the summer hotel on Crockett's Bridge, which he remodeled into the present Lakeside Inn. This season a large annex was built and the house has been doing capacity business. Mr. Insole arrived early in the spring and has probably worked beyond his strength to complete the job before the arrival of guests. He spent only his summers here, but was favorably known for his hospitality and genial bearing.

He leaves a wife, who is seriously ill in New York and one son who also resides in that city.

His remains were taken to Brooklyn Thursday for the services and burial.

Edward Perrault

Edward Perrault died Saturday morning, August 19, at 2:30 a. m., at the home of Albert Prescott, death being due to hemorrhage of the lungs. Mr. Perrault was born in Walton, Canada, 44 years ago, the son of Julie and Lewis Perrault of Lewiston. He had resided in Norway 22 years where he has been a shoe maker.

In April, 1904, he married Cassie M. Currier and four children were born to them, being John, Julia and Dany. He is survived by his four children, his mother, Mrs. Julie Perrault, who had been visiting him this summer, and brother Sam of Lynn, Mass.

The funeral was held at St. Catherine's Church, Tuesday morning and burial was in the Catholic cemetery at Lewiston. The bearers were Dan Dulesa, Joe Boulter, Geo. LaFrance and Alec Locke.

The Boston Tigers, a club of colored ball players arrived here about 10:00 o'clock Saturday morning by auto direct from Boston. They rode practically all night but gave no impression of sleep.

The outfit made headquarters at Billy White's Pool Parlor and took the kinks out of cramped limbs with one. All were jolly and happy-go-lucky but unusually quiet about town. They returned to Boston after the game.

A monster snappy turtle was on exhibition several days in the window at Elliot A. Fuller Co. While not the largest seen in this vicinity it measured well up to the wingers and was some scrapper according to Dr. Ley of New Jersey, who made the capture near the head of Lake Pennesseewassee. The turtle weighed 41 1/2 pounds with a shell about 18 inches long. He was a vicious looking and time scared specimen and according to Dr. Ley, fought like a Jack Dempsey during a half hour struggle.

Competent judges estimate the old chap is between 150 and 200 years old and good for a long time, if not, unless executed for food.

Dollar Day in Norway

Wednesday proved the big day with cool weather favorable to shoppers and clerks. Crowds gathered before locked doors early and waited patiently for business to start. Automobiles were parked in long lines on Main street especially before the dinner hour, but there was no congestion owing to the good work of traffic officers Boulter, Barker, Kimball and Hall.

Many stores were jammed the entire day. Z. L. Merchant, Brown, Buck & Co., and others provided extra salespeople and every effort was made to handle the business in the quickest possible time.

Crowds were coming and going and not a few remained in town until 6:15 when the stores closed. On the whole, patrons motored into town, did their shopping and left, thus kept up a steady stream until late in the afternoon.

Local shoppers came long distances together with many summer guests, who made large purchases. Autos carried registration numbers from New Hampshire, Vermont, Massachusetts, Rhode Island, and New York, New Jersey, Connecticut and Pennsylvania.

Heretofore, Dollar Day has appeared on a Saturday, all day and evening and Wednesday minus the evening was picked for an experiment. After the smoke of battle disappears and notes may be compared, the Norway Merchants' Association can decide on the comparative merits of the two days for attracting bargain hunters.

Agricultural Class on Trip

The Agricultural Class at Norway High School led by Prof. Edward H. Brown, started Thursday morning in their annual crusade for instruction and an outing. Seventeen members with camping outfits left town with Forest Longley in his truck, and one or two were carried along by Prof. Brown in his runabout.

During the four days they will visit the Morey farm, stop at Portland, examine the Sagadahoc farms, look in on the celebration at Portsmouth, N. H., inspect a New Hampshire State College and study conditions about the poultry and vegetable farms around Conway and other towns in the White Mountain section.

Weather permitting, the party will climb Mt. Washington, Saturday, and return home Sunday with note books crammed full of helpful ideas for future reference. This is a visit just into New Hampshire and the Aggies expect one of the best times possible.

GIVING OUT

The Struggle Discourages Many a
Citizen of Norway

Around all day with an aching back,
Can't rest at night;

Enough to make anyone "give out,"
Doan's Kidney Pills are helping thou-

sands.
They are for kidney backache,
And other kidney ills.

Here is Norway proof of their merit:
John F. Sampson, prop. painting es-

tab., 174 Main St., says: "I was feel-

ing run down and miserable. I was

tired and nervous and my kidneys didn't

act regularly. At times the secretions

passed too frequently, then again they

were scanty. My head ached night and

day. A friend advised me to try Doan's

Kidney Pills so I sent to Stone's Drug

Store for them. When I had finished

taking Doan's, the trouble left and

have not been bothered since. I can

certainly recommend Doan's to anyone

afflicted likewise."

VAIN TO ASK

I sat apart in the spacious church.
While the choir trilled its tunes
And thought to myself how poor they ring
Beside the ancient runes.

But one strain caught in my ear and held,
It was a plaintive plea,
"I gave, I gave my life for thee,
What hast thou given to me?"

No answer came in my ear or chord
Nor sound in any key—
No answer rests on human lips;
"What hast thou given to me?"

They cast their burdens on the Lord,
And there they let them lay.
His is the load true time and space
Until the Judgment Day!

All Nations Marching
to Armageddon

but—"millions now living will never die"

—Judge Rutherford

THE WORLD faces a condition
never before experienced. Fear
has taken hold upon all classes of
people because they see in a mea-
sure the things coming upon the
earth. The nations are in distress
and perplexity.

THE WAR did not make the
world safe for democracy. The
very foundations of civilization
are now shaken by revolution, la-
bor strikes, official lawlessness,
profiteers, Bolshevism and anarchy.
Both capital and labor are resort-
ing to extreme measures. The com-
mon people have lost confidence
in their leaders. The clergy have
abandoned the Word of God and
joined hands with big business
and big politicians in an attempt
to control the world, and these are
opposed by radical forces.

EUROPE is completely bank-
rupt, with her restless host of un-
employed and discontented hun-
dreds of millions. Belligerent ag-
gravations are rapidly numbering
men and taking account of their
strength. All contending forces
are hastening to the great battle of Armageddon. The disaster resulting is
beyond the description of human words.

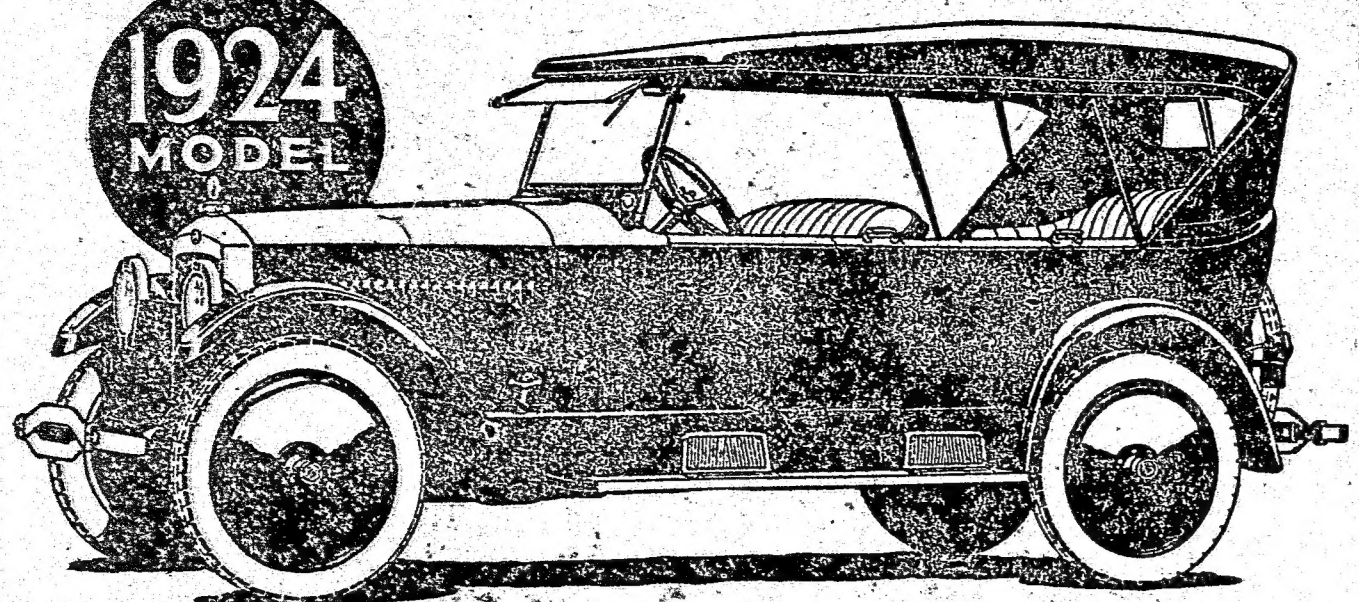

BUT let the people take heart. The Lord will cut short the trouble,
bring order out of chaos, establish peace and righteousness; and millions of
people now living will become obedient to his order of righteousness and
will live on the earth forever in peace and happiness.

1924 MODEL

THE STUDEBAKER BIG-SIX SEVEN-PASSENGER TOURING CAR \$1750

1924 Model Big-Six Again Leads in Intrinsic Value

Many motorists who have always insisted on the best in everything they buy, have discarded their heavy, bulky, high-priced cars and have replaced them with the Studebaker Big-Six. And they report that, in every way, it represents precisely their conception of what a really fine motor car should be. They are enthusiastic over their all-round satisfaction with the Big-Six because of its dependability, surplus power, extreme comfort for seven passengers, the completeness of its equipment and its fine appearance.

The series 24 model—the finest Big-Six Studebaker ever built—presents a value unapproached by other cars at anywhere near the price. And its nominal cost of operation is a source of continual satisfaction.

Everything for which one can wish in motoring convenience, comfort and utility has been provided—even to an extra disc wheel complete with tire, tube and tire cover; handsome nickel-plated bumpers, front and rear; automatic gasoline signal mounted on instrument board, and many other features.

The low price of the Big-Six is due to large volume, the fact that Studebaker overhead is shared by three models, the manufacture of all vital parts in Studebaker plants and Studebaker's vast physical and financial resources.

After 71 years of service, the name Studebaker enjoys confidence and respect more than ever.

STORY OF BY-GONE DAYS

Twenty-six Years Ago To-day

Thomas Harney of Lynn, is the new assistant foreman in the Spinnery Co. cutting room.

A gold lettered sign, "Wetherell Park" has been put over the Main street entrance to the lawn opposite the shoe factory. It is named in honor of I. E. Wetherell, who had the trees set out and graded the lot.

One hundred and twenty-five Italians arrived, Saturday, for a camp near Norway Center. They are to be employed on the Oxford Central Ry. construction. Work commenced Monday on Rufus K. Morrill's land. They are working in three crews of forty men each.

Edison's Projectoscope attracted a large crowd to Norway Opera House this week. This is the first moving picture show to visit us and proved a decided novelty. Music was furnished by another late invention, the magnaphone.

Electra Park, between Norway and South Paris, is drawing crowds with an entertainment every evening and a preaching service or sacred concert Sunday. Owners of this resort are Geo. M. Atwood, H. L. Horne, Frank B. Lee, Ernest Rowe, F. A. Shurtleff and Walter P. Main.

Thomas Smiley arrived this week and has taken over the dry goods business purchased from Noyes & Andrews, located in the block with the Noyes Drug Store.

F. Wilson is on the road selling peanut roasters and his patented drip pans for molasses horehays.

Norway High School Alumni Association celebrated the semi-centennial of the founding of the Norway Liberal Institute, in the Opera House, Wednesday. Business and general exercises during the day with a banquet and musical program during the evening.

The ancient elm in front of J. W. Swan & Co.'s store, on Main street, was removed this week.

ACADEMY CLASS ANNUAL REUNION

The annual get-together of Gould's Academy classes '88 and '89 was held on Wednesday, Aug. 15 at Sunshine Lodge, Papoose Pond, Waterford, the summer home of Mr. and Mrs. A. R. Clark of St. Petersburg, Fla. A more delightful and crowded affair than the trip in automobiles to the beauty spot in East Waterford was indeed a surprise. About thirty-five assembled under the pines, where a sumptuous picnic dinner was served at one o'clock. Good cheer reigned and the party had a merry time.

After lunch Fred Clark of Bethel acted the part of "Master of Ceremonies" and called on Frank A. Linscott of Wollaston, Mass. "Prof." Linscott as he was known at Gould's some thirty-five years ago, needed no introduction. As associate principal with the late Alvin C. Dresser, he left a wholesome impression on the minds of the student body, that can never be forgotten.

Years as a prominent Boston attorney have failed to erase from his mind "school happenings," and his reminiscences were happy allusions to unusual incidents characteristic of the young people under his watchful eye. In theatrical terms, the "Prof." brought down the house and responded to several cheers.

Rev. Stanley Carney, pastor of the First Parish church at Gorham spoke interestingly and made special reference to the noble spirit which for thirty-five years had glowed with increased beauty in the life of the alumni.

The school song, written by Addie M. Gordon of Bethel, was sung, led by Harry M. Jordan, cornetist, of Bethel. Sociability was in order for the remainder of the afternoon. Not a dull moment or a lull in story telling was allowed while recalling those eventful years in acquiring a start on life's highway.

It was announced that Mr. and Mrs. L. V. Bartlett, of Bethel, would entertain on or near this date next year.

Those present were: Mr. and Mrs. Frank A. Linscott and daughters, Jeanette, Isabel, Ruth and Miriam, of Wollaston, Mass., Mr. and Mrs. Wm. F. Eldredge and son, Arthur, of Rockport, Mass., Mrs. Alfretha Farwell Edwards, Portland, Miss Frances P. Carter, Portland, Rev. Arthur W. E. Carney and Hower, Harlane, Lloyd and Margaret, Gorham, Mr. and Mrs. Fred Clark, Bethel, Mr. and Mrs. Harry A. Jordan, Bethel, Mr. and Mrs. L. V. Bartlett and son, Harold, Bethel, Mr. and Mrs. Herbert C. Rowe, Bethel, Mr. and Mrs. A. Van der Kerkhoven, Bethel, Miss Addie Gordon, Bethel, Fred B. Gordon, Bethel, Miss Elizabeth York, Bethel, Mr. and Mrs. A. R. Clark and son, Richard, St. Petersburg, Fla.

HANOVER

Mr. and Mrs. Leon A. Brooks of South Paris and the new daughter were guests at the Saunders', Sunday, Aug. 12.

Mr. and Mrs. Henry Foster, and Virginia and Stanley, are spending their vacation with Mrs. Allen Richardson.

Harold Hutchins is working in the mill for Saunders Bros.

Miss Horne, Mrs. Hiram Bean and Julia Stockbridge are guests of Etta and Arthur Horne.

The Ladies' Aid held a sale and furnished supper, with an entertainment in the evening, Aug. 15.

GAS TAX

It is estimated that the gasoline tax will bring to the state of Maine a revenue of \$500,000 per year. During the first twenty-five days of July the Standard Oil Co. paid to the state treasurer \$24,000.

Under section eight of the tax law half of the receipts from the levy must be devoted to the maintenance of roads and bridges and the remainder added to the fund for the construction of third class highways. It is provided, however, that in case of the adoption of a constitutional amendment providing for a bond issue for highway construction, the total receipts of the tax shall go for maintenance.

When the locomotive engineer sounds the whistle, he has done his part. He can't be expected to stop the train, get down out of his cab, walk to the crossing and flag the motor cars.

FATHER FOUND TWO-YEAR-OLD BOY VERY SICK

Was Constipated, Thin, No Appetite, Had Swollen Lips, Stomach Pains

A hardy woodsman and enthusiastic fisherman of Maine, has a very interesting record to report. He writes: "As a boy, thirty-seven years ago, I began to take Dr. True's Elixir, the True Family Laxative and Worm Expeller. Once after six months hauling logs, I came out of the woods and found my two-year-old boy very sick. He was thin, had no appetite, had swollen lips, pains in stomach, was suffering from constipation for months.

"I had not been in the house an hour when an elderly lady—a good neighbor—came in and told my wife to get a bottle of Dr. True's Elixir, saying she had seen numbers of similar cases which it had relieved.

"My boy was given a half dozen doses of Dr. True's Elixir, when he passed a lot of worms and right away began to show improvement; he began soon to eat with a relish, play around and look healthy. He did not have to take a full bottle, and in later years, whenever he got off his feed, a few doses would straighten him out quick.

"When I got constipated, a couple of teaspoons of Dr. True's Elixir, the True Family Laxative and Worm Expeller, fixed me O. K.

"My son is grown up now and has a family of six children, and he has practiced the same remedy.

tically raised his family on Dr. True's Elixir. The children go out and get hold of something not good for them. It's hard to watch all the children, and so when they eat something they shouldn't and get sick, Dr. True's Elixir is given and the family is put in good shape again.

"I have read in the papers you have to take a half a dozen bottles of some remedies, but you don't have to do this with Dr. True's Elixir. Simply a few doses and then quick relief. The three generations of my family have been kept healthy by using it."

Symptoms of worms: constipation, offensive breath, swollen upper lip, deranged stomach, occasional pains in the bowels, pale face, eyes heavy and dull, short, dry cough, grinding of the teeth, red points on the tongue, starting during sleep, slow fever.

Nearly every child and grown-up needs a laxative sometime. The fond parents safeguard the health of their children, as well as their own, by keeping their bowels in condition. The herbs used in Dr. True's Elixir, are imported and of strictly pure quality. No harmful drugs. Keep the bowels regular by using Dr. True's Elixir, the True Family Laxative and Worm Expeller. 40c, 60c, \$1.20.

Perhaps in no other field has improved machinery played such an important part as in agriculture. Modern farm implements enable one man to do what it required five or six men to do before.

BRYANT'S POND

The Dudley Reunion

Thursday, the sixteenth day of August, will be a memorable day in the Dudley family as it was the day that Mr. and Mrs. Ansel Dudley of Bryant Pond entertained the family at their annual reunion.

Promptly at twelve o'clock forty-five sat down at long tables, which had been arranged for the occasion, in the Dudley Opera House. Following the luncheon a delightful program was enjoyed, which had been arranged by the program chairman, Mrs. Duke Dudley. The following members of the family took part:

Address of Welcome..... Carl Child Dudley
Response..... Mrs. Frank Dudley
Song..... Piano accompanist, Mrs. Ansel Dudley
Reading..... Perrin Dudley
Recitation..... Margarette and Nellie Dudley

At the close of the program a re-election of officers took place for the ensuing year: President, Mrs. Gertrude Dudley Hammond; Vice-president, Mr. Charles S. Dudley, and Mrs. Alton Bacon was elected secretary of the organization.

The reunion will be held next year with either James Dudley or Mrs. Gertrude Dudley Hammond, to be definitely decided upon later.

Mr. and Mrs. Ansel Dudley are most genial hosts and at the close of the afternoon a rising vote of thanks was extended to them for their gracious hospitality.

Mr. Dudley is an old and prominent citizen of the town of Woodstock, and was born there seventy nine years ago. He has been a merchant at Bryant Pond for fifty three years and has always been closely identified with everything that pertained to the advancement and welfare of the town and community in which he has lived.

Mr. Dudley has two children, a son who is also a merchant at Bryant Pond and a representative at Augusta; and a daughter, Mrs. Ralph Waldo Bucknam, a resident of Hollywood, California. Mr. Dudley has recently retired from business and is planning to spend the winter with his daughter in Southern California.

Mrs. Dudley, his wife, will also accompany him on the trip.

One interesting fact was brought out at the reunion, when Dana Dudley mentioned the fact that the combined ages of his uncle Ansel Dudley, Aunt Angelina, Dudley Bowker, the oldest member of the family who is now ninety years of age, Aunt Adelia Dudley Curtis, Aunt Amanda Dudley Sheehan, and Aunt Elizabeth Young, represented over four hundred years. The following are the names of those present:

Mr. and Mrs. Ansel Dudley, Bryant Pond.
Mrs. Olivia Dudley Bucknam, Hollywood, California.
Mrs. Angie Bowker, Bryant Pond.
Mrs. Adelia Curtis, Bryant Pond.
Mrs. Amanda Sheehan, Bryant Pond.

W. A. Garner and family accompanied by W. H. Garner and wife, are spending a few days at Bar Harbor.

The concert given in the Knights of Pythias hall on the evening of Aug. 17th, was unusually fine and much appreciated. The concert was for the benefit of the prospective library and was well patronized.

What is the Life of an Exide Battery?

Many car owners have obtained five or more years of service from their Exide Batteries. Others permit their batteries to be ruined in a few months through neglect and preventable abuse.

The things which do the greatest damage are lack of water, lack of charge and improper secured. So we say frankly to Exide owners that the life of their batteries is largely in their hands.

Keep your battery well charged, filled with water, clean and properly secured in its place and it will give a long life and unflinching service.

What Miles Do To Your Battery

The first depends entirely upon you and your needs. If your kind of driving makes unusual demands upon the battery, you may get somewhat fewer months of battery life but—other things equal—you will get a very satisfactory mileage. Cost per mile is as fair a basis for comparison, as cost per month!

Long Automobile Trip
Mrs. George Hancock of Norway is enjoying a trip to California in company with her cousins, Edith Mayberry and Mrs. Lulu Wilson, and uncle, Fred L. French, of Bartlett, N. H. Mr. French was engaged in the lumber business at Santa Cruz, Calif., some twenty years and this trip is to renew old friendships. The party left New Hampshire early in June and proceeded West in easy jumps with stop overs at Kansas City, Colorado Springs, Yellowstone Park, Seattle and San Francisco. They carried a tent and camped along the trail when so disposed.

During a stop of some two weeks at Santa Cruz, they visited Los Angeles, Long Beach and other interesting points. The car is now pointed homeward and the party is probably near Ogden, Utah, traveling over the Lincoln highway. There is no fixed date for their arrival home but they are expected early in September.

Myrtle Bacon of Boston, Mass., who is spending the summer at Bryant Pond, has been a guest of Mrs. Clarence M. Smith.

JOY OF HEALTH WOMAN'S RIGHT

Mrs. Evans Freed from Female Weakness by Lydia E. Pinkham's Vegetable Compound

Detroit, Michigan.—"I had female weakness with pains in my back, and I could not stand on my feet for any length of time. I was working in a factory but had to quit as I was too much on my feet. A friend recommended Lydia E. Pinkham's Vegetable Compound to me, and I can hardly believe it myself that I am well. Oh, it is a grand thing to have your health! I feel well all the time and can go out like other women and not feel that awful torture. When I took your medicine first I thought it should cure after the first bottle, but I am glad my husband kept me at it. I have had nine bottles and now I am well." Mrs. JENNY EVANS, 1604 Lafayette Blvd., Detroit, Michigan.

If you are suffering from displacements, irregularities, backache, nervousness or other forms of female weakness, you should take Lydia E. Pinkham's Vegetable Compound. The reason is given in letters like these, and we have published thousands of them. You may expect that a medicine that has helped other women will help you. Try it.
